

THE CANDID VOTE

By Joseph Jaconetta and Nobi Nyabonda

YOUR VOTE COUNTS

We chose to create this program because in this political climate, we felt that voters should have basic knowledge about their candidates and state's voting participation. Whether you are choosing a representative or voting on a referendum, you play a vital role. All you have to do is vote!

FUN STATE STATS

According to the United States Bureau(2018), Florida was the top state with the highest number of registered voters(9,435,000), and New York was ranked as second(8,553,000) among East Coast States*.

*East Coast is defined as any state that borders the Atlantic Ocean and from the eastern seabord for the country
